CHURCH MEMBERS DETAINED/DONATIONS REQUESTED
13 (corrected from 14) members of our diocese were detained in ICE raids last weekend. As of today (6/19) their whereabouts are still unknown and their families have had no contact. Sacred Resistance, (diocesan ministry dedicated to immigration justice) is in desperate need of funds to secure rapid and adequate legal representation for all impacted. Their fund is managed through St. Stephen's Episcopal Church in Hollywood and you may donate via PayPal or venmo @ststephenshollywood. Read coverage in The Guardian, including a quote from Bp. Taylor, here. More recent coverage can be found through nonprofit Interfaith America here.
